A selection
of professional
brands

ASSA ABLOY, the global leader in door opening solutions, together with its greatest brands, offers the best indoor hardware equipments.

Vachette, the undisputed French leader among locking and security professionals. Its factory, located in Troyes, 150km East of Paris, manufactures a wide range of products using state-of-the-art production methods.

JPM, established in 1645, is well known as one of the most historical lock manufacturing company and the specialist in panic hardware and exiting devices for public and administration buildings. More than 5 millions panic hardware and exiting devices were sold all along the world.

Stremler is the European leader in the production of locks and accessories for aluminium framed doors.

Expertise

The French Touch, a selection of professional brands

Our product lines cover a complete range of security and hardware products: cylinders, single-point and multipoint locks, mortice and rim locks, masterkey systems, panic exit devices, door closers, door furniture, etc.

Promises

High expertise, coming from our considerable experience and high competence for tailor-made solutions.

High reliability, endorsed by EN standard certifications.

High quality, guaranteed by the ISO 9001 Quality System, every single item is at its best quality.

Environmental friendly: obtained by the continuous production process improvement and certificated by ISO 14001.

A long lasting experience with dedicated expertise in door opening solutions!

Since more than 100 years, our French Brands have been providing Security, Safety and Convenience to all kinds of buildings across the world.

Our Locks, Cylinders, Panic-Devices, Door Closers, Handles and Accessories have been successfully installed worldwide. Our Brands are now recognized for Quality and True Value for Money.

We have always strived to ensure the best service to our customers.

Offering high quality products with professional advice and after sales service are part of our continuous focus.

Vachette and JPM Brands are the true market leaders in France and, during the last 20 years, acquired a solid reputation in South East Asia and Middle East.
